- Final semester result awaited.

Higher Secondary Certificate (HSC – Science)

Govt. Higher Secondary School

2022 – 2023
56.83%

Secondary School Certificate (SSC)

Govt. Higher Secondary School

2020 – 2021
69.60%

TECHNICAL SKILLS

C Programming	Java (Basic)	SQL	HTML
CSS	JavaScript	DBMS	Algorithm Design

PROJECTS

Gym Management System | HTML, CSS, JavaScript, PHP, MySQL

- Designed and developed a complete Gym Management System web application with role-based access for Owner, Trainer, and Member panels.
- Implemented dynamic UI components using HTML5, CSS3, JavaScript, and Chart.js for interactive dashboards and data visualization.
- Included features like member registration, workout plans, diet plans, fee/payment management, attendance tracking, progress charts, and admin reports.
- Focused on clean UI/UX design, responsive layout for all devices (mobile/tablet/desktop), SPA page loading, and localStorage for data persistence.
- Integrated backend authentication using PHP and MySQL with password hashing for secure login.

CERTIFICATIONS

- **Introduction to Cyber Security** – Data Flair Training Program
- **Java & SQL Course** – Certificate of Achievement

LANGUAGES

English Hindi Marathi
